

**CITY OF LAKE SAINT LOUIS
GREEN ENVIRONMENTAL ADVISORY COMMITTEE
REGULAR MEETING
MARCH 25, 2015**

The meeting was called to order at 9:00 a.m. in the Lake Saint Louis Civic Center Board Conference Room.

IN ATTENDANCE:

Chairman Scott Ellis, Vice Chairman Ed Young, Ann Finklang, and Alderman John Pellerito. Absent: Dianne Kallunki-Baniak and Paula Wepprich. Also present: Rob Stephenson, Lake Saint Louis Community Association Lakes & Parks Committee; Steve Schertel, Director of Community Development; and Brenda Cueller, acting as recording secretary.

CALL TO ORDER:

Chairman Ellis called the meeting to order.

APPROVAL OF AGENDA:

MOTION TO APPROVE THE AGENDA:

Committeewoman Finklang made a motion to approve the March 25, 2015, Green Environmental Advisory Committee regular meeting agenda. The motion was seconded by Vice Chairman Young and the motion carried.

THE MARCH 25, 2015 GREEN ENVIRONMENTAL ADVISORY COMMITTEE REGULAR MEETING AGENDA IS HEREBY APPROVED, AS NOTED ABOVE.

MINUTES: February 25, 2015

MOTION TO APPROVE MINUTES:

Committeewoman Finklang made a motion to approve the February 25, 2015 Green Environmental Advisory Committee regular meeting minutes. The motion was seconded by Vice Chairman Young and the motion carries.

THE MINUTES FROM THE FEBRUARY 25, 2015 GREEN ENVIRONMENTAL ADVISORY COMMITTEE REGULAR MEETING ARE HEREBY APPROVED, AS NOTED ABOVE.

**CITY OF LAKE SAINT LOUIS
GREEN ENVIRONMENTAL ADVISORY COMMITTEE
REGULAR MEETING
MARCH 25, 2015
(JOURNAL & MINUTES)**

GENERAL DISCUSSIONS:

1. ***DISCUSSION DECEMBER MEETING***

Chairman Ellis said he would like each committee member to work on one initiative of their choice every month and discuss it at the next meeting.

The Committee discussed when the next Mission: Clean Stream would be held and who was handling it in the City. The date of April 11th was stated as the next Mission: Clean Stream and March 27th as the deadline for participant registration.

2. ***DISCUSSION OF CA MEETINGS***

Chairman Ellis stated he has been attending the last few months' meetings at the CA of the Lakes and Parks Committee, and noted at the last meeting besides water testing being discussed, they talked about boat motor size and wakes that they created. The CA Board of Directors recommended water testing on a regular basis as part of the larger statewide testing. Chairman Ellis said the Board was initially concerned about release of results. He explained more about the Lakes of Missouri Volunteer Program (LMVP) and the type of data collected. They approved testing as part of LMVP. Chairman Ellis explained the next step is to get someone from LMVP to train our volunteers. He discussed testing that would be done in April for: chlorophyll, nitrogen, phosphorus, suspended sediments, and water clarity. Rob Stephenson said he believed \$500 has been approved for supplies.

Mr. Stephenson said the CA has hired an engineer firm to study use of a dike at the opening of Peruque Creek north of I-64 as it enters the big lake. They will determine if a dike could be effective to keep trees/limbs out of the lake, and reduce silt in the lake.

3. **COMMUNICATION UPDATE**

Chairman Ellis said Committeewoman Kallunki-Baniak will place an article in Newstime soon on rain barrels and maybe would mention stormwater, siltation, and ~~fertilization~~ **use of fertilizer**. He noted when Committeewoman Kallunki-Baniak took over handling articles, her idea was to have a monthly article. Chairman Ellis said these articles should be linked to the Committee's website.

4. **ELECTRONICS RECYCLING**

Vice Chairman Young said he contacted a number of companies that were registered with DNR. He discussed some of the companies noting he was very

**CITY OF LAKE SAINT LOUIS
GREEN ENVIRONMENTAL ADVISORY COMMITTEE
REGULAR MEETING
MARCH 25, 2015
(JOURNAL & MINUTES)**

interested in Midwest Recycling Center (MRC). He stated they had a number of different sites, recognized by DNR and seemed to be the preferred electronics recycler. Vice Chairman Young said they do not ship items overseas and stated what items they accept and their charge for certain items. Vice Chairman Young said he recommends that the Committee go with MRC since they meet all our criteria.

Vice Chairman Young said he spoke to Chris Kirkwood, Administrative Assistant, at The Meadows to get some dates in line for the upcoming electronic recycling event. He asked her to put September 26 and October 3 on their calendar. He was told that they did not have a manager and hoped to hire someone by the end of April. Once a manager has been hired, we can complete the paperwork for the event.

5. OLD BUSINESS

Steve Schertel briefly discussed the need to enforce recycling dumpster enclosures and addressing trash dumpster visibility.

The Committee briefly discussed a bike event regarding location, age groups, date, and maybe a route. Committeewomen Finklang and Wepprich will continue to work on this.

6. NEW BUSINESS

Chairman Ellis said he would like to place on the agenda a regular Board of Aldermen/City Staff update to inform us of things that are relative to what our Committee is up to.

Alderman Pellerito stated The Meadows is owned by a new company with personnel changes. A brochure was passed around of the concept look of The Meadows noting that the new owners have great ideas and will completely revamp the center.

Alderman Pellerito briefly discussed the following items:

- Oak Bluff Estates development that went before the Planning & Zoning Commission to create twenty (20) lots on 19 acres stating there is an issue with a Licensing Agreement that was made between the CA and the original developer.
- The developer of Saratoga Subdivision is requesting changes to the Municipal Code which would allow substandard revisions. A lot has to do with energy efficiency.

**CITY OF LAKE SAINT LOUIS
GREEN ENVIRONMENTAL ADVISORY COMMITTEE
REGULAR MEETING
MARCH 25, 2015
(JOURNAL & MINUTES)**

- The old downtown area is now uptown development which will have a redevelopment of this area.
- MODOT informed they have no money. New projects (Highway N) placed on back burner.
- Discussion of a new Lake Saint Louis sign as an entrance into the City.
- The Veterans Park near City Hall will have a water feature placed.
- Briefly discussed PWSD#2 infrastructures where residents do not want lift stations in their backyards.
- The City has hired a part-time Code Enforcement Officer late last summer.

The Committee discussed future events such as shredding and Habitat for Humanity.

Mr. Schertel said Staff will propose Board of Aldermen fund a Comprehensive Plan for the City. He briefly discussed the cost for this Plan, what it would entail, and the long-term timeframe. Mr. Schertel noted the Plan would be done through a consultant for the City, whom he believed would want to speak with different groups and may come to this Committee.

NEXT MEETING:

The next meeting will be Wednesday, April 29th at 9:00 a.m.

ADJOURNMENT:

The meeting adjourned at 10:00 a.m.

Approved

Brenda Cueller
Serving as recording secretary of the meeting

**CITY OF LAKE SAINT LOUIS
GREEN ENVIRONMENTAL ADVISORY COMMITTEE
REGULAR MEETING
MARCH 25, 2015**

The meeting was called to order at 9:00 a.m. in the Lake Saint Louis Civic Center Board Conference Room.

IN ATTENDANCE:

Chairman Scott Ellis, Vice Chairman Ed Young, Ann Finklang, and Alderman John Pellerito. Absent: Dianne Kallunki-Baniak and Paula Wepprich. Also present: Rob Stephenson, Lake Saint Louis Community Association Lakes & Parks Committee; Steve Schertel, Director of Community Development; and Brenda Cueller, acting as recording secretary.

CALL TO ORDER:

Chairman Ellis called the meeting to order.

APPROVAL OF AGENDA:

MOTION TO APPROVE THE AGENDA:

Committeewoman Finklang made a motion to approve the March 25, 2015, Green Environmental Advisory Committee regular meeting agenda. The motion was seconded by Vice Chairman Young and the motion carried.

THE MARCH 25, 2015 GREEN ENVIRONMENTAL ADVISORY COMMITTEE REGULAR MEETING AGENDA IS HEREBY APPROVED, AS NOTED ABOVE.

MINUTES: February 25, 2015

MOTION TO APPROVE MINUTES:

Committeewoman Finklang made a motion to approve the February 25, 2015 Green Environmental Advisory Committee regular meeting minutes. The motion was seconded by Vice Chairman Young and the motion carries.

THE MINUTES FROM THE FEBRUARY 25, 2015 GREEN ENVIRONMENTAL ADVISORY COMMITTEE REGULAR MEETING ARE HEREBY APPROVED, AS NOTED ABOVE.

**CITY OF LAKE SAINT LOUIS
GREEN ENVIRONMENTAL ADVISORY COMMITTEE
REGULAR MEETING
MARCH 25, 2015
(JOURNAL & MINUTES)**

GENERAL DISCUSSIONS:

1. ***DISCUSSION DECEMBER MEETING***

Chairman Ellis said he would like each committee member to work on one initiative of their choice every month and discuss it at the next meeting.

The Committee discussed when the next Mission: Clean Stream would be held and who was handling it in the City. The date of April 11th was stated as the next Mission: Clean Stream and March 27th as the deadline for participant registration.

2. ***DISCUSSION OF CA MEETINGS***

Chairman Ellis stated he has been attending the last few months' meetings at the CA of the Lakes and Parks Committee, and noted at the last meeting besides water testing being discussed, they talked about boat motor size and wakes that they created. The CA Board of Directors recommended water testing on a regular basis as part of the larger statewide testing. Chairman Ellis said the Board was initially concerned about release of results. He explained more about the Lakes of Missouri Volunteer Program (LMVP) and the type of data collected. They approved testing as part of LMVP. Chairman Ellis explained the next step is to get someone from LMVP to train our volunteers. He discussed testing that would be done in April for: chlorophyll, nitrogen, phosphorus, suspended sediments, and water clarity. Rob Stephenson said he believed \$500 has been approved for supplies.

Mr. Stephenson said the CA has hired an engineer firm to study use of a dike at the opening of Peruque Creek north of I-64 as it enters the big lake. They will determine if a dike could be effective to keep trees/limbs out of the lake, and reduce silt in the lake.

3. **COMMUNICATION UPDATE**

Chairman Ellis said Committeewoman Kallunki-Baniak will place an article in Newstime soon on rain barrels and maybe would mention stormwater, siltation, and ~~fertilization~~ **use of fertilizer**. He noted when Committeewoman Kallunki-Baniak took over handling articles, her idea was to have a monthly article. Chairman Ellis said these articles should be linked to the Committee's website.

4. **ELECTRONICS RECYCLING**

Vice Chairman Young said he contacted a number of companies that were registered with DNR. He discussed some of the companies noting he was very

(JOURNAL & MINUTES)**

interested in Midwest Recycling Center (MRC). He stated they had a number of different sites, recognized by DNR and seemed to be the preferred electronics recycler. Vice Chairman Young said they do not ship items overseas and stated what items they accept and their charge for certain items. Vice Chairman Young said he recommends that the Committee go with MRC since they meet all our criteria.

Vice Chairman Young said he spoke to Chris Kirkwood, Administrative Assistant, at The Meadows to get some dates in line for the upcoming electronic recycling event. He asked her to put September 26 and October 3 on their calendar. He was told that they did not have a manager and hoped to hire someone by the end of April. Once a manager has been hired, we can complete the paperwork for the event.

5. OLD BUSINESS

Steve Schertel briefly discussed the need to enforce recycling dumpster enclosures and addressing trash dumpster visibility.

The Committee briefly discussed a bike event regarding location, age groups, date, and maybe a route. Committeewomen Finklang and Wepprich will continue to work on this.

6. NEW BUSINESS

Chairman Ellis said he would like to place on the agenda a regular Board of Aldermen/City Staff update to inform us of things that are relative to what our Committee is up to.

Alderman Pellerito stated The Meadows is owned by a new company with personnel changes. A brochure was passed around of the concept look of The Meadows noting that the new owners have great ideas and will completely revamp the center.

Alderman Pellerito briefly discussed the following items:

- Oak Bluff Estates development that went before the Planning & Zoning Commission to create twenty (20) lots on 19 acres stating there is an issue with a Licensing Agreement that was made between the CA and the original developer.
- The developer of Saratoga Subdivision is requesting changes to the Municipal Code which would allow substandard revisions. A lot has to do with energy efficiency.

**CITY OF LAKE SAINT LOUIS
GREEN ENVIRONMENTAL ADVISORY COMMITTEE
REGULAR MEETING
MARCH 25, 2015
(JOURNAL & MINUTES)**

- The old downtown area is now uptown development which will have a redevelopment of this area.
- MODOT informed they have no money. New projects (Highway N) placed on back burner.
- Discussion of a new Lake Saint Louis sign as an entrance into the City.
- The Veterans Park near City Hall will have a water feature placed.
- Briefly discussed PWSD#2 infrastructures where residents do not want lift stations in their backyards.
- The City has hired a part-time Code Enforcement Officer late last summer.

The Committee discussed future events such as shredding and Habitat for Humanity.

Mr. Schertel said Staff will propose Board of Aldermen fund a Comprehensive Plan for the City. He briefly discussed the cost for this Plan, what it would entail, and the long-term timeframe. Mr. Schertel noted the Plan would be done through a consultant for the City, whom he believed would want to speak with different groups and may come to this Committee.

NEXT MEETING:
