invited to attend the Ambassador's Club Fall Festival on September 13th to pass out information of the Green Environmental Advisory Committee.

The Committee discussed the Fall Festival and Electronic Recycling Event.

Chairman Young stated that Alderman Pellerito was going to talk about his work on doing mitigation of flooding to the upper part of Peroque Creek.

Alderman Pellerito informed the Committee regarding an August 13th meeting about Peroque Creek mitigation and the funding to be sought and the groups involved.

The Committee had a discussion of Peroque Creek and wetland areas.

2. DISCUSSION OF CA MEETINGS

There was not a representative from GEAC at the August meetings. Committeeman Ellis said he would be attending the September 2nd meeting.

3. COMMUNICATION UPDATE

The Committee discussed articles to be placed regarding the electronic recycling event, rain barrels, and recycle bins. It was noted that two (2) weeks before the electronic recycling event, there should be information placed on the City's website and through the City's email blast.

4. ELECTRONICS RECYCLING

The Committee discussed the status of the Electronics Recycling Event at The Meadows on Saturday, September 27th and providing food for the volunteer workers.

5. OLD BUSINESS

Committeeman Ellis said another water quality testing on the two lakes is on hold right now. It was noted that data can be obtained through different agencies/groups.

Alderman Pellerito stated to continue with the stormwater sewer project. He noted from the City's perspective it is absolutely necessary because the City's infrastructure is getting old.

6. NEW BUSINESS
